

## About Us

First I want to thank you for visiting my site and taking the time to review the different products and offers we have available. One of the advantages of the work that I do is that I'm able to either personally use the products, have a friend use the products, or as I research the offers it's something that speaks to me personally.

I'm your average Joe so to speak who's chasing the American dream. My family says that my mid-life crisis is going and becoming an entrepreneur. While some in my position go out and buy a fancy sports car or a boat, I enjoy bringing a personal experience that the big companies today don't bring. Call it a pipe dream but hey a lot of people must start somewhere.

## Disclaimer

In all fairness, my websites typically contain affiliate links wherein I do get a commission. The commission is part of the overall cost and/or price of the product or service you're purchasing.

Supplement results are individual feedback provided by customers. Your results may vary. The content of this site is for informational purposes only, and is not intended to replace professional medical advice, diagnosis, or treatment. Always seek the advice of your doctor or other qualified healthcare professional about a medical condition, a suspected medical condition, and before starting a diet, exercise, or supplementation program or take or stop a medication.

One thing that I want to add to this to provide clarity is the products I promote by in large have a generous money back guarantee, even up to 60 days. I recognize while the programs offered work for most people it doesn't work for all.

## Privacy Policy

Next to this document is our privacy policy as it relates to any email list. While it's a bunch of legalese the intent is to reflect that any email list you join you are opting in. I do not resell, rent, etc. your email address. You can opt out at any time. I know what it's like to get a lot of junk mail, so I don't play that game of how many times do you need to opt out of an email list. If you haven't had that experience, well I commend you.

## Conclusion

Again, I want to take the time to thank you for reviewing my site and joining my email list. I hope you find them informative and/or supportive. I also certainly thank you for your business.
